[2] 30 Rock episodes were produced in a single camera configuration (with the exception of the two live episodes that were produced in the multiple configuration) [3] and were shot in New York. [4] [5] The pilot episode was previewed on 11 October 2006, [6] and seven seasons followed. The series is played by Fey with a support cast that includes Alec Baldwin, Tracy Morgan, Jane Krakowski, Jack McBrayer, Scott Adsit Judah Friedlander, Katrina Bowden, Keith Powell, Lonny Ross, John Lutz, Kevin Brown, Grizz Chapman and Maulik Bencholy. [2] Tonally, 30 Rock uses surreal humor for parody of the complex corporate structure of the NBC and its mother company General Electric. A critic for the A.V. Club once observed that "usually adopts the obsessive rhythm of a live cartoon". [7] The show was influential in his wide use of cuttaways: sudden and shortcuts for unrelated scenes that show something that the characters are discussing briefly. 30 Rock has also become known for its dedication to the realization of extremely elaborate sets, once showing a set that required three days to build only six seconds of videos. [8] 30 won numerous important awards (including Primetime Emmy Awards for Outstanding Comic Series in 2007, 2008 and 2009 and nominations for every two years in which it took place) and appeared on many critics " ""Best of 2006 "2013 lists. [18] [20] In 2013, Writers Guild of America West named 30 Rock the 21st most written television series of all time. The show satires the cultures of NBC, the parent company General Electric and the entertainment industry. The network airs programs such as reality shows Milf Island, the queen of Jordan andKidz sang, as well as dramatic paranormal humps and show gate and homonymous. In the following seasons, the show describes the network being from the media company based in Philadelphia Kabletown, parody of the acquisition of NBC by Comcast. Development and production concept In 2002, Fey was the head writer and an artist of the TV show Saturday Night Live (SNL). [22] The show was subsequently reworked to revolve around a SNL style SNL Schipk show. After being presented once again in Reilly, the show was aired during the 2004 television season of 2005.
